Professional Experience

Mosaic Wellness（SDE I）☑

Jul 2022 – Apr 2023 | Bangalore

- Helped **migrate to new (RCL) codebase,** and create a **unified code platform** serving 3 different brands, **ManMatters, BeBodywise and OurLittleJoys**.
- Managed **3 different repositories** keeping UI, frontend logic and stitching separate.
- Worked on **complete user purchase flow, payment integration,** and **login flow**
- Worked on **commerce,** major contribution in **cart functionality** and **PDP ui-ux revamp**
- **Improved PDP speed** through **SEO optimizations** and **Images load optimizations** to **bring the data consumption down by about 1.5TB every month**
- Worked on **tele-consult,** appointment stages, Rx Cart, and **client-side prescription generation**
- **Solely handled** old codebase for BeBodywise.
- Contributor to **Analytics,** deep understanding on usage of **clevertap, mixpanel** funnels.

Personal Projects

Plaway - Video library ☑

youtube like video library, responsive webapp

- **Frontend authentication** with **Incognito mode**
- **Voice search, youtube genre suggestion chips**
- **Watch later, liked** video**, Playlist** and **History**

source code ☑
